

Yes you can have it all.

Creative Cloud gives you all the apps you need for any creative field you want to explore. You can seriously make almost anything. Create and share an animated video in two minutes. Or make a feature film with the same editing tools they're using in Hollywood. Make a website for your band. Or your business. Discover what a creative genius you are.

Photoshop

InDesign

Dreamweaver

Premiere Pro

Lightroom

Illustrator

Muse

After Effects

Photoshop Mix

Capture

Comp

Premiere Clip

The Creative Cloud yearly subscription is available to USG faculty and staff at a special rate and includes all the apps used by professionals around the globe. **For only \$15, you can have it all!**

Creative Cloud includes Adobe's powerful software like Photoshop, Illustrator, InDesign, Premiere Pro, and more! Your subscription to Creative Cloud will give you access to all the software, rather than you purchasing each program individually.

[Purchase access to the Creative Cloud today through the USG Technology Home Store.](#)
